9 Burge Meadow is located at the end of a cul-de-sac in a tucked away position and is accessed via a front path, which is shared with one other property. The front entrance door leads to an entrance hall, to the right of which is the modern fitted kitchen and then through to a sitting room and an additional conservatory to the rear. On the first floor are two bedrooms and a bathroom. The house benefits from a larger than average rear garden as well as a front garden which has a right of access across from another section of Burge Meadow. This could, with the right permissions and changes, make even more parking. The property also benefits from three parking spaces in the cul-de-sac, each allocated to number 9.
